

# Parks for All

## Employee Charitable Giving Campaign

Help the Los Angeles County Parks Foundation (LACPF) promote equity, inclusion and quality of life for all residents through public parks and recreation!

Please support one of our key initiatives through the LA County Employee Charitable Giving Program.

### Sports for All

All youth deserve the chance to play sports!

Your support can help youth from low income households participate in cost-prohibiting competitive sports. Sports teach children valuable life lessons, like teamwork, commitment, and dealing with adversity. The Sports for All program believes all youth deserve to chase their dreams and gain the positive experiences that develop their abilities to succeed later in life. Youth practice and play competitively as part of a team, and the season culminates in a tournament with top winners advancing to a League Championship Game.

### ESTEAM Summer Camp

The ESTEAM Program (Environment, Science, Technology, Engineering, Arts and Math) is designed to integrate informal multi-subject, inclusive learning into hands-on, collaborative project-based activities for school-age camp participants. The program is facilitated between the Los Angeles County Department of Parks and Recreation, Natural History Museum of Los Angeles County, and other partners to promote cross-organizational learning. School-age BIPOC youth and girls connect with the outdoors, explore early career pathways, build their self-confidence and understanding of ESTEAM topics, and learn to take action to improve their natural environment through an inclusive curriculum.

### Out-of-School-Time Fun Afterschool Program

This program provides a fun, safe place to be after school for youth ages 7-17 looking to develop their skills in sports, fitness, art, and technology through E-Sports competitions. Youth participants will take part in intermural E-Sports league play and learn 3-D printing, coding, and other creative design platforms.

Examples of how your charitable donations via convenient pre-tax payroll deductions can make a big difference in the life of a child.

### \$5 per paycheck

- Cover the costs for a uniform, sports equipment and award for one youth sports participant or
- Send a child on 5 ESTEAM summer camp field trips or
- Sponsor one youth to attend afterschool technology camp for a month

### \$10 per paycheck

- Cover all costs for a girl to play league Lacrosse or
- Provide ESTEAM equipment and supplies for 25 kids for a week or
- Sponsor 2 youth to attend afterschool technology camp for a month

### \$20 per paycheck

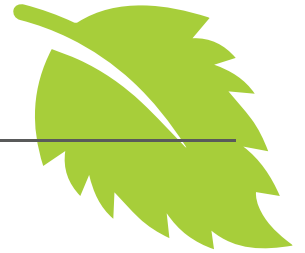

- Cover all costs for 3 youths to play in a competitive sports league or
- Send 3 children to ESTEAM summer camp for 1 week or
- Sponsor 4 youth to attend afterschool technology camp for a month

### \$50 per paycheck

- Cover all costs for an entire team of kids age 3 - 7 to play league basketball or soccer or
- Send 4 children to ESTEAM summer camp for 2 weeks or
- Sponsor 10 youth to attend afterschool technology camp for a month

### \$100 per paycheck

- Cover all costs for an entire youth team to play competitive baseball/softball, soccer or flag football or
- Send 2 children to ESTEAM Summer Camp for 10 weeks or
- Purchase a computer station for youth afterschool technology skills development camp

## How to Donate:

- 1 Launch WORKPLACE, then click on **Charitable Giving.**
